"Growing in Christ, Reaching others!"

What an amazing fun year we've had in preschool! Each child has accomplished so much, and we hope you realize what a tremendous blessing St. Mark United Methodist Church has been to each one of them and their families. We have learned, played, created art, had special guests, and visited fun places. Most importantly, each child has been exposed to God's love and has been told how special they are! Each one of you has played such an important role in the success of this program. Thank you for all your support and donations throughout the year. Many of you have also offered your time to help us make this an amazing year for each child, and we are extremely grateful. Please continue to lift us up in prayer as we start preparing for another great year. We are so honored that you have entrusted us to be a part of your ministry to these sweet children.
